## Electronic Signature Warning

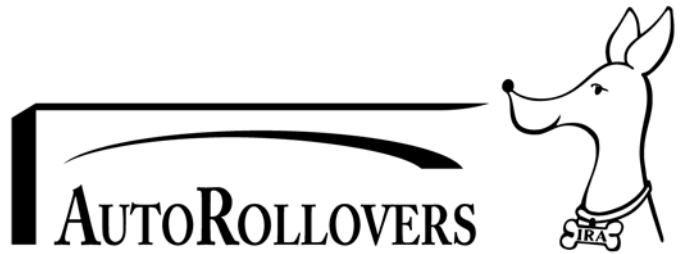

As you may have noticed AUTO ROLLOVERS has begun returning Plan Sponsor Agreements with a digitally-affixed signature. When you open the returned agreement, you may notice a warning message stating that “At least one signature has problems.”

This warning message is simply to alert you that the Signer’s identity is unknown to your computer because it has not been included in your list of trusted identities and none of its parent certificates are trusted identities. You may choose to ignore this message or you may follow the process outlined on the next few pages to add our signature to your list of trusted identities.

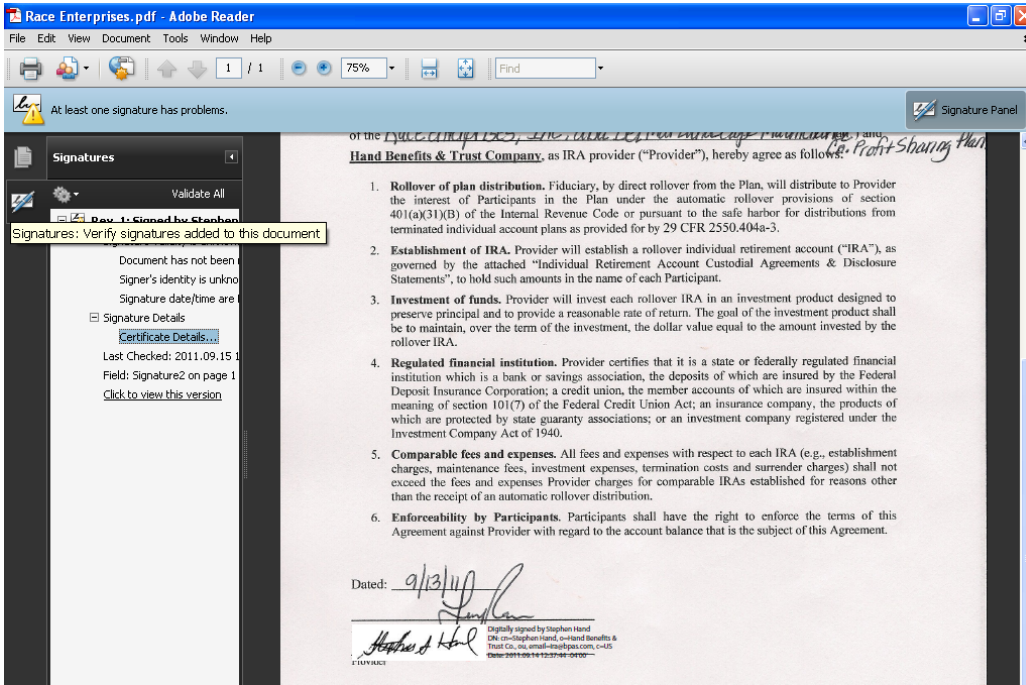

A screenshot of the Adobe Reader application window. The title bar reads "Race Enterprises.pdf - Adobe Reader". The menu bar includes "File", "Edit", "View", "Document", "Tools", "Window", and "Help". The toolbar shows various icons for file operations and a search box. A warning message is displayed in a blue bar: "At least one signature has problems." The main content area shows a PDF document with several numbered paragraphs. Paragraph 3 is titled "Investment of funds." Paragraph 4 is titled "Regulated financial institution." Paragraph 5 is titled "Comparable fees and expenses." Paragraph 6 is titled "Enforceability by Participants." Below the text, there is a "Dated:" field with the date "9/13/10" and a handwritten signature. Below the signature is a digital signature block with the following text: "Digitally signed by Stephen Hand", "DN: cn=Stephen Hand, o=Hand Benefits &amp; Trust Co., ou, email=ira@bpas.com, c=US", and "Date: 2010.09.14 12:57:44 -0400".
